## On The Lash

Not one to disappoint in the mascara stakes, Clinique's new offering is better than ever. Big, bold, voluminous lashes have never been so simple thanks to their new over-sized, molded, multi-dimensional brush. It primes, separates and lifts every lash for that perfect wide-eyed look. We love the sleek packaging too.

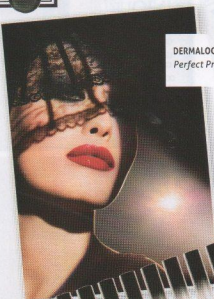

## Skin Deep

SQOOM, the world's first patented at-home anti-ageing skin treatment system, has arrived at Galleries Lafayette in The Dubai Mall. By vibrating one million times per second, it gently delivers specially formulated organic, chemical-free creams deep in to skin to combat signs of ageing, restore collagen and elastin and treat skin issues like pigmentation, sun exposure, acne and wrinkles, deep cleansing, reducing pore size and exfoliating skin at the same time.
